Customers were concerned about a change of address  
**Response:**  
Customers who retain their PO Box or currently have street delivery WILL NOT be required to change their address. ONLY customers electing to close their PO Box and begin street delivery would be required to change their address, if a final determination is made to close or consolidate this office. 911 addresses are generally given by the county's 911 coordinator. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience.
3. **Concern (No Opinion):**  
Customers expressed concern over the dependability of rural route service  
**Response:**  
Rural letter carriers perform a vital function in the United States Postal Service serving thousands of families and businesses in rural and suburban areas while traveling millions of miles daily. Rural letter carriers are highly respected by the American public. This respect has been earned by many years of dedication to the Postal Service and to postal customers. During national and local emergencies, including prolonged periods of extreme weather conditions, rural carriers have demonstrated great responsibility in providing mail service to postal customers. Rural carriers are required to serve the route expeditiously and arrive at boxes at about the same time each day.
4. **Concern (No Opinion):**  
Customers were concerned about obtaining services from the carrier  
**Response:**  
Retail services provided at the post office are available from the carrier. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

### PURCHASING STAMPS BY MAIL

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using Form 3227-R, Stamp Purchase Order (Rural), available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

### PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

### SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

### HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

5. **Concern (No Opinion):**  
Customers were concerned about mail security

**Response:**

Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.

6. **Concern (No Opinion):**  
Customers were concerned about the limited hours of operation at the post office

**Response:**

Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue.

7. **Concern (No Opinion):**  
Customer was concerned that the community meeting time was scheduled at an inconvenient time of day.

**Response:**

It was scheduled so that people who are using the Post Office could come in during the normal operational hours so that they could express their concerns and thoughts on the issue.

8. **Concern (No Opinion):**  
Customers were concerned about having to make an address change on their bank checks and stationery

**Response:**

Customers who retain their PO Box or currently have street delivery WILL NOT be required to change their address. ONLY customers electing to close their PO Box and begin street delivery would be required to change their address, if a final determination is made to close or consolidate this office. 911 addresses are generally given by the county's 911 coordinator. ## I. RESPONSIVENESS TO COMMUNITY POSTAL NEEDS

The Postal Service is proposing to close the Mallory, NY Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Central Square Post Office, located five miles away.

The postmaster position became vacant when the postmaster is reassigned on March 31, 2009. Since the postmaster vacancy an OIC has been installed to operate the office. Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue.

The office is being studied for possible closing or consolidation due to the following reasons: This is a management initiated study to determine if regular and effective service can be provided through alternate channels.

The Mallory Post Office, an EAS-11 level, provides service from 07:00 to 10:45 Monday - Friday, 09:00 to 11:45 Saturday and lobby hours of 07:00 to 11:00 on Monday - Friday and 09:00 to 12:00 on Saturday to 31 post office box customers and 134 delivery customers. Retail services included the sale of stamps, stamped paper, and money orders; special services such as Registered Mail, Certified Mail, Insured Mail, COD Mail, and Express Mail services; and the acceptance and dispatch of all classes of mail.

The retail window averaged 12 transaction(s) accounting for 14 minute(s) of retail workload daily. With minimal workload, the Postal Service feels that effective and regular service will be provided by rural route service. Office receipts for the last 3 years were: \$12,933 (34 revenue units) in FY 2008; \$17,950 (47 revenue units) in FY 2009; and \$18,103 (47 revenue units) in FY 2010. There were no permit mailer(s) or postage meter customer(s).

On May 04, 2011, representatives from the Postal Service were available at Mallory Post Office lobby (open house style format) to answer questions and provide information to customers. 5 customer(s) attended the meeting.

On April 25, 2011, 28 questionnaires were distributed to delivery customers of the Mallory Post Office. Questionnaires were also available over the counter for retail customers at the Mallory Post Office. 12 questionnaires were returned. Responses regarding the proposed alternate service were as follows: 2 favorable, 3 unfavorable, and 7 expressed no opinion.

If this proposal is implemented, delivery and retail services will be provided by the Central Square Post Office, an EAS-18 level office. Window service hours at the Central Square Post Office are from 08:30 to 10:15 and 11:15 to 17:00, Monday through Friday, and 08:30 to 12:00 on Saturday. There are 234 post office boxes available.

The following concerns were expressed on the returned questionnaires, at the community meeting, from customer letters, on the petition, and from the congressional inquiry:

- |                    |  |
|--------------------|--|
| 1. <b>Concern:</b> | Customer expressed a concern about the time of the community meeting.  |

ONLY customers electing to close their PO Box and begin street delivery would be required to change their address, if a final determination is made to close or consolidate this office. 911 addresses are generally given by the county's 911 coordinator. The Postal Service does not establish 911 addresses. Any questions concerning your 911 address should be directed to the county's 911 coordinator. |
| 3. <b>Concern:</b> | Customers were concerned about mail security   |
| <b>Response:</b>   | Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.  |
| 4. <b>Concern:</b> | You were concerned about having to travel to another post office for service   |
| <b>Response:</b>   | Services provided at the post office will be available from the carrier, and customers will not have to travel to another post office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience.   |
| 5. <b>Concern:</b> | Customers expressed concern over the dependability of rural route service  |

**Response:**

Rural letter carriers perform a vital function in the United States Postal Service serving thousands of families and businesses in rural and suburban areas while traveling millions of miles daily. Rural letter carriers are highly respected by the American public. This respect has been earned by many years of dedication to the Postal Service and to postal customers. During national and local emergencies, including prolonged periods of extreme weather conditions, rural carriers have demonstrated great responsibility in providing mail service to postal customers. Rural carriers are required to serve the route expeditiously and arrive at boxes at about the same time each day.

6. **Concern:**

Customers were concerned about having to make an address change on their bank checks and stationery

**Response:**

Customers who retain their PO Box or currently have street delivery WILL NOT be required to change their address. ONLY customers electing to close their PO Box and begin street delivery would be required to change their address, if a final determination is made to close or consolidate this office. 911 addresses are generally given by the county's 911 coordinator. The Postal Service does not establish 911 addresses. Any questions concerning your 911 address should be directed to the county's 911 coordinator.

7. **Concern:**

Customers were concerned about obtaining services from the carrier

**Response:**

Retail services provided at the post office are available from the carrier. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

**PURCHASING STAMPS BY MAIL**

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using Form 3227-R, Stamp Purchase Order (Rural), available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

**PURCHASING POSTAL MONEY ORDERS**

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

**SPECIAL SERVICES**

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

**HOLDING MAIL**

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

8. **Concern:**

Customers were concerned about the limited hours of operation at the post office

**Response:**

Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue.

**Some advantages of the proposal are:**

1. The rural or contract delivery carrier may provide retail services, alleviating the need to go to the post office. Stamps by Mail order forms are provided for customer convenience.
2. Customers opting for carrier service will have 24-hour access to their mail.
3. Savings for the Postal Service contribute in the long run to stable postage rates and savings for customers.
4. CBUs can offer the security of individually locked mail compartments. Parcel lockers provide convenient parcel delivery for customers.
5. Customers opting for carrier service will not have to pay post office box fees.
6. Saves time and energy for customers who drive to the post office to pick up mail.

**Some disadvantages of the proposal are:**

1. The loss of a retail outlet and a postmaster position in the community. Retail services may be provided by the rural or contract delivery carrier.
2. Meeting the rural or contract delivery carrier at the box to transact business. However, it is not necessary to be present to conduct most Postal Service transactions.
3. A change in the mailing address. The community name will continue to be used in the new address. A carrier route address will be assigned.

Taking all available information into consideration, the Postal Service concludes this proposal will provide a maximum degree of effective and regular postal services to the community.

**II. EFFECT ON COMMUNITY**

Mallory is an unincorporated community located in Oswego County. The community is administered politically by Town of Hastings. Police protection is provided by the NY State Police. Fire protection is provided by the Central Square Fire Dept. The community is comprised of retirees, commuters, self-employed, and those who commute to work at nearby communities and work in local businesses.

Businesses and organizations include: Mallor Lumber . Residents may travel to nearby communities for other supplies and services.

Nonpostal services provided at the Mallory Post Office will be available at the Central Square Post Office. Government forms normally provided by the Post Office will also be available at the Central Square Post Office or by contacting your local government agency.

The following nonpostal concerns were expressed on the returned questionnaires, at the community meeting, on the petition, and on the congressional inquiry:

1. **Concern:** No Concern

**Response:**

Based on the information obtained in the course of this discontinuance study, the Postal Service concludes this proposal will not adversely affect the community.

### III. EFFECT ON EMPLOYEES

The postmaster was reassigned on March 31, 2009. The noncareer postmaster relief (PMR) may be separated from the Postal Service. No other Postal Service employee will be adversely affected. .

### IV. ECONOMIC SAVINGS

The Postal Service estimates an annual savings of \$ 45,037 with a breakdown as follows:

|   |                   |
|---|-------------------|
| Postmaster Salary (EAS-11, No COLA)     | \$ 33,168         |
| Fringe Benefits @ 33.5%                 | \$ 11,111         |
| Annual Lease Costs                      | <u>+ \$ 3,800</u> |
| Total Annual Costs                      | \$ 48,079         |
| Less Annual Cost of Replacement Service | <u>- \$ 3,042</u> |
| Total Annual Savings                    | <u>\$ 45,037</u>  |

### V. OTHER FACTORS

The Postal Service has identified no other factors for consideration.

### VI. SUMMARY

The Postal Service is proposing to close the Mallory, NY Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Central Square Post Office, located five miles away.

The postmaster was reassigned on March 31, 2009. If the office has a noncareer PMR(s), they may be separated from the Postal Service; however, attempts will be made to reassign the employee(s) to a nearby facility. No other employee(s) will be adversely affected. Post office mail volume has declined. Effective and regular service will continue to be provided by rural route service.

The Mallory Post Office provided delivery and retail service to 31 PO Box customers and 134 delivery route customers. The daily retail window transactions averaged 12. There are no permit mailers or postage meter customers.

There will no longer be a retail outlet in the community. However, delivery and retail services may be available from a rural or contract delivery carrier, which could alleviate the need to travel to a post office for service. The Postal Service will save an estimated \$45,037 annually. A disadvantage to some may be in meeting the rural or contract delivery carrier to transact business. However, it is not necessary to be present to conduct most Postal Service transactions with a rural or contract delivery carrier.

Taking all available information into consideration, the Postal Service has determined that the advantages outweigh the disadvantages and this proposal is warranted.

### VII. NOTICES

- A. Support Materials. Copies of all materials upon which this proposal is based are available for public inspection at the Mallory Post Office and Central Square Post Office during normal office hours.
- B. This is a proposal. It is not a final determination to close this post office. If a final determination is made to close this post office, after public comments on this proposal are received and taken into account, a notice of that final determination will be posted in this office.

Dear Postal Service Customer:

Thank you for taking the time to submit your comments to the proposal to close the Mallory Post Office. Your comments are appreciated and will be carefully considered, along with the comments of other customers, as the matter is reviewed further in my office and at higher levels of the Postal Service.

In response to your letter:

- Residents may continue to meet informally, socialize, and share information at the other businesses, churches and residences in town.
- You expressed a concern about the loss of the Communities' identity. A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the suspended Post Office name and ZIP Code in addresses and in the National Five-Digit ZIP Code and Post Office Directory.
- Customer suggestion to place Postal boxes at Mallory Lumber will be reviewed for feasibility.

I realize with change there is always concern. However we are confident that the alternate service listed in the proposal will continue to provide you with effective and regular service.

If you have additional questions or comments, please feel free to contact Nadine Tremblay at (518) 452-4085.

Sincerely,

## I. RESPONSIVENESS TO COMMUNITY POSTAL NEEDS

The Postal Service is proposing to close the Mallory, NY Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Central Square Post Office, located five miles away.

The postmaster position became vacant when the postmaster was reassigned on March 31, 2009. Since the postmaster vacancy an OIC has been installed to operate the office. Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue.

The office is being studied for possible closing or consolidation due to the following reasons: This is a management initiated study to determine if regular and effective service can be provided through alternate channels.

The Mallory Post Office, an EAS-11 level, provides service from 07:00 to 10:45 Monday - Friday, 09:00 to 11:45 Saturday and lobby hours of 07:00 to 11:00 on Monday - Friday and 09:00 to 12:00 on Saturday to 31 post office box or general delivery customers and 134 delivery customers. Retail services included the sale of stamps, stamped paper, and money orders; special services such as Registered Mail, Certified Mail, Insured Mail, COD Mail, and Express Mail services; and the acceptance and dispatch of all classes of mail.

The retail window averaged 12 transaction(s) accounting for 14 minute(s) of retail workload daily. With minimal workload, the Postal Service feels that effective and regular service will be provided by rural route service. Office receipts for the last 3 years were: \$12,933 (34 revenue units) in FY 2008; \$17,950 (47 revenue units) in FY 2009; and \$18,103 (47 revenue units) in FY 2010. There were no permit mailer(s) or postage meter customer(s).

On May 04, 2011, representatives from the Postal Service were available at Mallory Post Office lobby (open house style format) to answer questions and provide information to customers. 5 customer(s) attended the meeting.

On April 25, 2011, 28 questionnaires were distributed to delivery customers of the Mallory Post Office. Questionnaires were also available over the counter for retail customers at the Mallory Post Office. 12 questionnaires were returned. Responses regarding the proposed alternate service were as follows: 2 favorable, 3 unfavorable, and 7 expressed no opinion.

If this proposal is implemented, delivery and retail services will be provided by the Central Square Post Office, an EAS-18 level office. Window service hours at the Central Square Post Office are from 08:30 to 10:15 and 11:15 to 17:00, Monday through Friday, and 08:30 to 12:00 on Saturday. There are 234 post office boxes available.

The following concerns were expressed from questionnaires, the community meeting, from customer letters, on the petition, and from the congressional inquiry:

1. **Concern:** Customer expressed a concern about the time of the community meeting.

**Response:** There are a number of posting requirements and comment periods before any final decision or implementation would be made. All customers will have several opportunities to ask questions and make comments.
2. **Concern:** Customers were concerned about a change of address

**Response:** Customers who retain their PO Box or currently have street delivery WILL NOT be required to change their address. ONLY customers electing to close their PO Box and begin street delivery would be required to change their address, if a final determination is made to close or consolidate this office. 911 addresses are generally given by the county's 911 coordinator. The Postal Service does not establish 911 addresses. Any questions concerning your 911 address should be directed to the county's 911 coordinator.
3. **Concern:** Customers were concerned about mail security

**Response:** Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.
4. **Concern:** You were concerned about having to travel to another post office for service

**Response:** Services provided at the post office will be available from the carrier, and customers will not have to travel to another post office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience.
5. **Concern:** Customer suggested placing Postal boxes at Mallory Lumber similar to Mapleview.

**Response:** Customer suggestion to place Postal boxes at Mallory Lumber will be reviewed for feasibility.

6. **Concern:** Customers expressed concern over the dependability of rural route service

**Response:** Rural letter carriers perform a vital function in the United States Postal Service serving thousands of families and businesses in rural and suburban areas while traveling millions of miles daily. Rural letter carriers are highly respected by the American public. This respect has been earned by many years of dedication to the Postal Service and to postal customers. During national and local emergencies, including prolonged periods of extreme weather conditions, rural carriers have demonstrated great responsibility in providing mail service to postal customers. Rural carriers are required to serve the route expeditiously and arrive at boxes at about the same time each day.

7. **Concern:** Customers were concerned about having to make an address change on their bank checks and stationery

**Response:** Customers who retain their PO Box or currently have street delivery WILL NOT be required to change their address. ONLY customers electing to close their PO Box and begin street delivery would be required to change their address, if a final determination is made to close or consolidate this office. 911 addresses are generally given by the county's 911 coordinator. The Postal Service does not establish 911 addresses. Any questions concerning your 911 address should be directed to the county's 911 coordinator.

8. **Concern:** Customers were concerned about obtaining services from the carrier

**Response:** Retail services provided at the post office are available from the carrier. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

#### **PURCHASING STAMPS BY MAIL**

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using Form 3227-R, Stamp Purchase Order (Rural), available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

#### **PURCHASING POSTAL MONEY ORDERS**

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

#### **SPECIAL SERVICES**

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

#### **HOLDING MAIL**

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume

delivery.

9. **Concern:**

Customers were concerned about the limited hours of operation at the post office

**Response:**

Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue.

**Some advantages of the proposal are:**

1. The rural or contract delivery carrier may provide retail services, alleviating the need to go to the post office. Stamps by Mail order forms are provided for customer convenience.
2. Customers opting for carrier service will have 24-hour access to their mail.
3. Savings for the Postal Service contribute in the long run to stable postage rates and savings for customers.
4. CBUs can offer the security of individually locked mail compartments. Parcel lockers provide convenient parcel delivery for customers.
5. Customers opting for carrier service will not have to pay post office box fees.
6. Saves time and energy for customers who drive to the post office to pick up mail.

**Some disadvantages of the proposal are:**

1. The loss of a retail outlet and a postmaster position in the community. Retail services may be provided by the rural or contract delivery carrier.
2. Meeting the rural or contract delivery carrier at the box to transact business. However, it is not necessary to be present to conduct most Postal Service transactions.
3. A change in the mailing address. The community name will continue to be used in the new address. A carrier route address will be assigned.

Taking all available information into consideration, the Postal Service concludes this proposal will provide a maximum degree of effective and regular postal services to the community.

## **II. EFFECT ON COMMUNITY**

Mallory is an unincorporated community located in Oswego County. The community is administered politically by Town of Hastings. Police protection is provided by the NY State Police. Fire protection is provided by the Central Square Fire Dept. The community is comprised of retirees, self-employed, and those who commute to work at nearby communities and work in local businesses.

Businesses and organizations include: Mallor Lumber . Residents may travel to nearby communities for other supplies and services.

Nonpostal services provided at the Mallory Post Office will be available at the Central Square Post Office. Government forms normally provided by the Post Office will also be available at the Central Square Post Office or by contacting your local government agency.

The following nonpostal concerns were expressed from questionnaires, the community meeting, on the petition, and on the congressional inquiry:

1. **Concern:** Customers expressed concern for loss of community identity  
**Response:** The customer expressed a concern about the loss of the Communities' identity. A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the suspended Post Office name and ZIP Code in addresses and in the National Five-Digit ZIP Code and Post Office Directory.
2. **Concern:** Customers were concerned about the loss of a gathering place and an information center.  
**Response:** Residents may continue to meet informally, socialize, and share information at the other businesses, churches and residences in town.

Based on the information obtained in the course of this discontinuance study, the Postal Service concludes this proposal will not adversely affect the community.

### III. EFFECT ON EMPLOYEES

The postmaster position became vacant when the postmaster was reassigned on March 31, 2009. The noncareer postmaster relief (PMR) may be separated from the Postal Service. No other Postal Service employee will be adversely affected. Since the postmaster vacancy an OIC has been installed to operate the office.

### IV. ECONOMIC SAVINGS

The Postal Service estimates an annual savings of \$ 45,037 with a breakdown as follows:

|   |                   |
|---|-------------------|
| Postmaster Salary (EAS-11, No COLA)     | \$ 33,168         |
| Fringe Benefits @ 33.5%                 | \$ 11,111         |
| Annual Lease Costs                      | <u>+ \$ 3,800</u> |
| Total Annual Costs                      | \$ 48,079         |
| Less Annual Cost of Replacement Service | <u>- \$ 3,042</u> |
| Total Annual Savings                    | <u>\$ 45,037</u>  |

### V. OTHER FACTORS

The Postal Service has identified no other factors for consideration.

### VI. SUMMARY

The Postal Service is proposing to close the Mallory, NY Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Central Square Post Office, located five miles away.

The postmaster was reassigned on March 31, 2009. If the office has a noncareer PMR(s), they may be separated from the Postal Service; however, attempts will be made to reassign the employee(s) to a nearby facility. No other employee(s) will be adversely affected. Post office mail volume has declined. Effective and regular service will continue to be provided by rural route service.

The Mallory Post Office provided delivery and retail service to 31 PO Box or general delivery customers and 134 delivery route customers. The daily retail window transactions averaged 12. There are no permit mailers or postage meter customers.

There will no longer be a retail outlet in the community. However, delivery and retail services may be available from a rural or contract delivery carrier, which could alleviate the need to travel to a post office for service. The Postal Service will save an estimated \$45,037 annually. A disadvantage to some may be in meeting the rural or contract delivery carrier to transact business. However, it is not necessary to be present to conduct most Postal Service transactions with a rural or contract delivery carrier.

Taking all available information into consideration, the Postal Service has determined that the advantages outweigh the disadvantages and this proposal is warranted.

### VII. NOTICES

- A. Support Materials. Copies of all materials upon which this proposal is based are available for public inspection at the Mallory Post Office and Central Square Post Office during normal office hours.
- B. This is a proposal. It is not a final determination to close this post office. If a final determination is made to close this post office, after public comments on this proposal are received and taken into account, a notice of that final determination will be posted in this office.

The final determination will contain instructions on how affected customers may appeal that decision to the Postal Regulatory Commission. Any such appeal must be received by the commission within 30 days of the posting of the final determination.

FINAL DETERMINATION TO CLOSE  
THE MALLORY, NY POST OFFICE  
AND ESTABLISH  
SERVICE BY RURAL ROUTE SERVICE

DOCKET NUMBER 1371555 - 13103

**I. RESPONSIVENESS TO COMMUNITY POSTAL NEEDS**

The Postal Service is issuing the final determination to close the Mallory, NY Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Central Square Post Office, located five miles away.

The postmaster position became vacant when the postmaster was reassigned on March 31, 2009. Since the postmaster vacancy an OIC has been installed to operate the office. Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue.

The office was studied for possible closing or consolidation due to the following reasons: This is a management initiated study to determine if regular and effective service can be provided through alternate channels.

The Mallory Post Office, an EAS-11 level, provides service from 07:00 to 10:45 Monday - Friday, 09:00 to 11:45 Saturday and lobby hours of 07:00 to 11:00 on Monday - Friday and 09:00 to 12:00 on Saturday to 31 post office box or general delivery customers and 134 delivery customers. Retail services included the sale of stamps, stamped paper, and money orders; special services such as Registered Mail, Certified Mail, Insured Mail, COD Mail, and Express Mail services; and the acceptance and dispatch of all classes of mail.

The retail window averaged 12 transaction(s) accounting for 14 minute(s) of retail workload daily. With minimal workload, the Postal Service feels that effective and regular service will be provided by rural route service. Office receipts for the last 3 years were: \$12,933 ( 34 revenue units) in FY 2008; \$17,950 ( 47 revenue units) in FY 2009; and \$18,103 ( 47 revenue units) in FY 2010. There were no permit mailer(s) or postage meter customer(s).

On May 04, 2011, representatives from the Postal Service were available at Mallory Post Office lobby (open house style format) to answer questions and provide information to customers. 5 customer(s) attended the meeting.

On April 25, 2011, 28 questionnaires were distributed to delivery customers of the Mallory Post Office. Questionnaires were also available over the counter for retail customers at the Mallory Post Office. 12 questionnaires were returned. Responses regarding the proposed alternate service were as follows: 2 favorable, 3 unfavorable, and 7 expressed no opinion.

When this final determination is implemented, delivery and retail services will be provided by the Central Square Post Office, an EAS-18 level office. Window service hours at the Central Square Post Office are from 08:30 to 10:15 and 11:15 to 17:00, Monday through Friday, and 08:30 to 12:00 on Saturday. There are 234 post office boxes available.

The proposal to close the Mallory Post Office was posted with an invitation for comment at the Mallory Post Office and Central Square Post Office from May 21, 2011 to July 22, 2011. The following additional concerns were received during the proposal posting period:

1. **Concern:** Customer suggested placing Postal boxes at Mallory Lumber similar to Mapleview.

**Response:** Customer suggestion to place Postal boxes at Mallory Lumber will be reviewed for feasibility.

The following nonpostal concerns were expressed from questionnaires, the community meeting, on the petition, and on the congressional inquiry:

1. **Concern:** Customer expressed a concern about the time of the community meeting.

**Response:** There are a number of posting requirements and comment periods before any final decision or implementation would be made. All customers will have several opportunities to ask questions and make comments.

2. **Concern:** Customers were concerned about a change of address

**Response:** Customers who retain their PO Box or currently have street delivery WILL NOT be required to change their address. ONLY customers electing to close their PO Box and begin street delivery would be required to change their address, if a final determination is made to close or consolidate this office. 911 addresses are generally given by the county's 911 coordinator. The Postal Service does not establish 911 addresses. Any questions concerning your 911 address should be directed to the county's 911 coordinator.

3. **Concern:** Customers were concerned about mail security

Response:

Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.

## 4. Concern:

You were concerned about having to travel to another post office for service

## Response:

Services provided at the post office will be available from the carrier, and customers will not have to travel to another post office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience.

## 5. Concern:

Customers expressed concern over the dependability of rural route service

## Response:

Rural letter carriers perform a vital function in the United States Postal Service serving thousands of families and businesses in rural and suburban areas while traveling millions of miles daily. Rural letter carriers are highly respected by the American public. This respect has been earned by many years of dedication to the Postal Service and to postal customers. During national and local emergencies, including prolonged periods of extreme weather conditions, rural carriers have demonstrated great responsibility in providing mail service to postal customers. Rural carriers are required to serve the route expeditiously and arrive at boxes at about the same time each day.

## 6. Concern:

Customers were concerned about having to make an address change on their bank checks and stationery

## Response:

Customers who retain their PO Box or currently have street delivery WILL NOT be required to change their address. ONLY customers electing to close their PO Box and begin street delivery would be required to change their address, if a final determination is made to close or consolidate this office. 911 addresses are generally given by the county's 911 coordinator. The Postal Service does not establish 911 addresses. Any questions concerning your 911 address should be directed to the county's 911 coordinator.

## 7. Concern:

Customers were concerned about obtaining services from the carrier

## Response:

Retail services provided at the post office are available from the carrier. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

**PURCHASING STAMPS BY MAIL**

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using Form 3227-R, Stamp Purchase Order (Rural), available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

**PURCHASING POSTAL MONEY ORDERS**

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

**SPECIAL SERVICES**

ITEM NO. 47  
PAGE 4

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

#### **HOLDING MAIL**

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

**8. Concern:**

Customers were concerned about the limited hours of operation at the post office

**Response:**

Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue.

#### **Some advantages of the proposal are:**

1. The rural and contract carriers may provide retail services, alleviating the need to go to the post office. Stamps by Mail order forms are provided for customer convenience.
2. Customers opting for carrier service will have 24-hour access to their mail.
3. Savings for the Postal Service contribute in the long run to stable postage rates and savings for customers.
4. CBUs can offer the security of individually locked mail compartments. Parcel lockers provide convenient parcel delivery for customers.
5. Customers opting for carrier service will not have to pay post office box fees.
6. Saves time and energy for customers who drive to the post office to pick up mail.

#### **Some disadvantages of the proposal are:**

1. The loss of a retail outlet and a postmaster position in the community. Retail services may be provided by the rural or contract delivery carrier.
2. Meeting the rural or contract delivery carrier at the box to transact business. However, it is not necessary to be present to conduct most Postal Service transactions.
3. A change in the mailing address. The community name will continue to be used in the new address. A carrier route address will be assigned.

Taking all available information into consideration, the Postal Service concludes this final determination will provide a maximum degree of effective and regular postal services to the community.

## **II. EFFECT ON COMMUNITY**

Mallory is an unincorporated community located in OSWEGO County. The community is administered politically by Town of Hastings. Police protection is provided by the NY State Police. Fire protection is provided by the Central Square Fire Dept. The community is comprised of retirees, self-employed and those who commute to work at nearby communities and may work in local businesses.

Businesses and organizations include: Mallor Lumber. Residents may travel to nearby communities for other supplies and services.

Nonpostal services provided at the Mallory Post Office will be available at the Central Square Post Office. Government forms normally provided by the Post Office will also be available at the Central Square Post Office or by contacting your local government agency.

The following nonpostal concerns were expressed from questionnaires, the community meeting, on the petition, and on the congressional inquiry:

**1. Concern:**

Customers expressed concern for loss of community identity

**Response:**

The customer expressed a concern about the loss of the Communities' identity. A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the suspended Post Office name and ZIP Code in addresses and in the National Five-Digit ZIP Code and Post Office Directory.

2. **Concern:**

Customers were concerned about the loss of a gathering place and an information center.

**Response:**

Residents may continue to meet informally, socialize, and share information at the other businesses, churches and residences in town.

Based on the information obtained in the course of this discontinuance study, the Postal Service concludes this final determination will not adversely affect the community.

### III. EFFECT ON EMPLOYEES

The postmaster position became vacant when the postmaster was reassigned on March 31, 2009. The noncareer postmaster relief (PMR) may be separated from the Postal Service. No other Postal Service employee will be adversely affected. Since the postmaster vacancy an OIC has been installed to operate the office.

### IV. ECONOMIC SAVINGS

The Postal Service estimates an annual savings of \$ 45,037 with a breakdown as follows:

|   |                   |
|---|-------------------|
| Postmaster Salary (EAS-11, No COLA)     | \$ 33,168         |
| Fringe Benefits @ 33.5%                 | \$ 11,111         |
| Annual Lease Costs                      | <u>+ \$ 3,800</u> |
| Total Annual Costs                      | \$ 48,079         |
| Less Annual Cost of Replacement Service | <u>- \$ 3,042</u> |
| Total Annual Savings                    | <u>\$ 45,037</u>  |

### V. OTHER FACTORS

The Postal Service has identified no other factors for consideration.

## VI. SUMMARY

This is the final determination to close the Mallory, NY Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Central Square Post Office, located five miles away.

The postmaster was reassigned on March 31, 2009. If the office has a noncareer PMR(s), they may be separated from the Postal Service; however, attempts will be made to reassign the employee(s) to a nearby facility. No other employee(s) will be adversely affected. The mail volume has declined. Effective and regular service will continue to be provided by rural route service.

The Mallory Post Office provided delivery and retail service to 31 PO Box or general delivery customers and 134 delivery route customers. The daily retail window transactions averaged 12. There are no permit mailers or postage meter customers.

There will no longer be a retail outlet in the community. However, delivery and retail services may be available from a rural or contract delivery carrier, which could alleviate the need to travel to a Post Office for service. The Postal Service will save an estimated \$45,037 annually. A disadvantage to some will be in meeting the rural or contract delivery carrier to transact business. However, it is not necessary to be present to conduct most Postal Service transactions with rural or contract delivery carrier.

Taking all available information into consideration, the Postal Service has determined that the advantages outweigh the disadvantages and this final determination is warranted.
